Re: Changes to the Deed Records System Effective Monday April 15, 2019

Aumentum, the new Deed Recording system was activated on Monday April 15th.

Individuals who electronically file property records with our office must ensure that they **use the new web address for the eFiling system:**

https://clerkerecord.co.travis.tx.us:4431/wseRecording_PROD/eRecordPRIA.asmx

The **public search component remains the same**, and can be accessed from our website or directly at:

<http://www.tccsearch.org/>

As with our current system, **watermarked copies are available online at no cost and certified copies are available for a charge.** eRecording filemarks will now appear on the first page on the top right corner. We have worked with our most frequent customers to ensure that they will be able to access the new eRecording weblink on Monday. **Beyond the new weblink, changing to the new Deed Recording system should be seamless for you.**

If you have any questions or issues as we “go live”, please feel free to contact Rebecca Guerrero, Recording Division Director at 512-854-9551.
